RESPONSE to Office Action, dated December 29, 2005 and
Petition Requesting a Two Month Extension

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Responsive to an Office Action having mailing date of December 29, 2005, with a three month period for response, the applicants would request the reconsideration and reexamination of the claims, in view of the present response including corresponding amendments and remarks.

In conjunction with the present response, a request for a two month extension is being simultaneously submitted, which extends the response date from March 29, 2006 to May 30, 2006, where May 30, 2006, represents the first business day after May 29, 2006, which fell on a Federal and USPTO holiday, Memorial Day. In association with the request for the two month extension, a fee in the amount of \$450 is believed to be due. The applicants' representative authorizes the Commissioner to charge the aforementioned fee, as well as any other fees deemed to be necessary in connection with entry and consideration of the present amendment including any fee required to cover any deficiency associated with any underpayment, or to credit any overpayment to Deposit Account No. 50-2117, of Motorola, Inc.
